4. General Guidelines

4.1 Australian International Institute of Technology has specifically design this policy and procedure to provide enrolling International students with a documented internal complaint handling and appeals process and policy, in order to provide these students with comprehensive, free, and easily accessible information about the process and the policy and procedure.

In the first instance, the student should be advised to raise their complaint or appeal with the originating source.

If the student believes that, the matter cannot be resolved informally, and they wish to peruse the matter further they should raise their complaint or appeal with Australian International Institute of Technology's Chief Executive Officer (CEO).

4.2 Australian International Institute of Technology's Chief Executive Officer (CEO) will respond to any complaint or appeal an overseas student makes regarding their dealings with Australian International Institute of Technology or their Education Agents; or any other related party Australian International Institute of Technology has an arrangement with to deliver and assess an overseas student's course or related services.

4.3 Australian International Institute of Technology's Chief Executive Officer (CEO) will commence an appraisal of the complaint or appeal within **"ten (10) working days"** of it being made in accordance with Australian International Institute of Technology's complaints handling and appeals process and policy, and finalise the outcome as soon as practicable.

During this process Australian International Institute of Technology will ensure that the overseas student is given an opportunity to formally present their case at minimal or **"no cost"** and be accompanied and assisted by a support person at any relevant meetings.

During the appraisal of the complaint or appeal it will at all times be handled in a professional, fair, and transparent manner without prejudice or bias.

4.4 Australian International Institute of Technology will provide the student with a written statement of the outcome of the internal complaint or appeal, including detailed reasons for the outcome and will maintain a written record of the complaint or appeal, including a statement of the outcome and reasons for the outcome on the student's file.

Australian International Institute of Technology will give the overseas student the contact details of an appropriate external appeals body.

If the internal complaints handling process or appeal results in a decision or recommendation in favour of the overseas student, Australian International Institute of Technology will immediately implement the decision or recommendation and/or take the preventive or corrective action required by the decision, and advise the overseas student of that action.

4.5 In addressing any *"Complaints or Appeals"* Australian International Institute of Technology has defined these as:

Australian International Institute of Technology applies the principles of natural justice and procedural fairness when resolving and sourcing outcomes for any complaints and/or appeals.

6. Internal Complaints and Appeals

- Ensure that the principles of natural justice and procedural fairness are adopted at every stage of their processes.

6.3 Australian International Institute of Technology will encourage all parties involved to approach a complaint and/or appeal with an open view towards resolving issues through discussion and conciliation.

7. External Complaints and Appeals

Australian International Institute of Technology Students have a variety of available options if they wish to lodge an external complaint or appeal.

These options however are only recommended after completing Australian International Institute of Technology three (3) stages complaints and appeals process.

Finally, options include lodging a complaint through one of the below following organisations:

7.1 The National Regulator: Australian Skills Quality Authority (ASQA)

The national regulator, “*Australian Skills Quality Authority (ASQA)*”, cannot resolve disputes between students and training providers.

The regulatory functions allow ASQA to collect, analyse, interpret, and disseminate information about vocational education and training. The National regulator “**do not have the legislative power**” to act as a student advocate.

Finally, refer to the following regulatory guidance information <https://www.asqa.gov.au/students/more-support>.

7.2 National Training Complaints Hotline

If a student has a complaint relating to their student experience, whilst undertaking training in the vocational education and training (VET) sector, they can contact the “*National Training Complaints Hotline*” and the complaint can be referred to the most appropriate authority.

Finally, to raise and have a complaint considered contact <https://www.dewr.gov.au/national-training-complaints-hotline>.

7.3 Commonwealth Ombudsman

If an International student is not satisfied with the result or conduct of the internal complaint handling and appeals process, Australian International Institute of Technology will advise the student of his or her right to access the external appeals process through the “*Commonwealth Ombudsman*”.

The “*Commonwealth Ombudsman*” offers a “**free and independent service**” for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider.

For a comprehensive overview of the steps before you raise a complaint with the Commonwealth Ombudsman please refer to <https://www.ombudsman.gov.au/complaints/how-to-make-a-complaint/before-you-complain>.

Finally, students can contact the Commonwealth Ombudsman to make a complaint by telephone by calling **1300 362 072** in person, in writing or by fax, or by using the online complaint form <https://forms.ombudsman.gov.au/prod?entitytype=Approach&layoutcode=ApproachWebForm>.

7.4 Other Legal Remedies, Support, and Wellbeing Services

Nothing in this policy or corresponding procedures inhibits a student’s right to pursue other legal remedies or support and wellbeing services.

Australian International Institute of Technology recognises that a student is entitled to resolve any dispute they have with Australian International Institute of Technology (by exercising their right to other legal remedies, however if a student wishes to follow this path, then any expense incurred during this process will need to be borne by the student).

Students wishing to pursue this course of action can contact and engage with, but not limited to:

- a Solicitor; or,
- the Law Institute of Victoria (LIV) - <https://www.liv.asn.au/>; or,
- Legal Aid Victoria - <http://www.legalaid.vic.gov.au/>; or,

- the Victorian Equal Opportunity and Human Rights Commission - <https://www.humanrights.vic.gov.au/>; or,
- the Privacy Commissioner - <https://www.oaic.gov.au/privacy/privacy-complaints>.

Finally, if the external complaint handling or appeal process results in a decision that supports the student, Australian International Institute of Technology will immediately implement any decision and/or corrective and preventative action required and will advise the student of the outcome.

8. Complaints and Appeals Resolution Process Flow (Stage 1 - Stage 3)

Stage 1

1. A student who wishes to make a complaint or appeal will complete the “*Complaint and Appeal Lodgement Form*” and submit the completed document to reception or complaints@aiit.edu.au
2. Upon receiving the “*Complaint and Appeal Lodgement Form*”, generally, reception will immediately forward it to Student Services Manager.
3. The Student Service Manager will acknowledge the receipt of the complaint and appeal and direct the matter to the appropriate stakeholder e.g. Marketing Manager or Academic Manager.

Should the Marketing Manager or Academic Manager be perceived to have a conflict of interest in relation to the matter, the next Chief Executive Officer (CEO) must be approached.

4. The Marketing Manager or Academic Manager must commence the resolution phase within “**ten (10) working days**” of the complaint being lodged.
5. The Marketing Manager or Academic Manager take all reasonable measures to resolve the complaint or appeal submitted as soon as practicable.
6. The Marketing Manager or Academic Manager must maintain and keep records of the following, where applicable:
 - Actions taken to address the root cause of complaints.
 - Minutes of meetings at which actions arising from complaints were agreed on.
 - Changes to systems and/or processes to address the inadequacy that led to the complaint or appeal or to improve operations.
7. The Marketing Manager or Academic Manager will provide the student with a “*written statement*” of the outcome, including details of the reasons for the outcome; and forward a copy to the Student Services Manager who will keep a record as evidence of the communication to the student.

Stage 2

1. If the student is not satisfied with the result or conduct of the complaint or appeal handling process by the Academic Manager, he or she should inform the Student Services Manager writing within “**ten (10) working days**” of receiving the written statement of outcomes.
2. The Student Services Manager will convene a committee comprising at least “**three (3) independent**” employees who are not involved in the hearing at Stage 1 to investigate and resolve the matter. The committee will provide the Student Service’s Manager with the documentation as listed in Stage 1 Point 6 for record keeping and filing.

3. The Student Service Manager will inform the student of the outcome through a written communication.

Stage 3

1. If the student is still not happy with the result of the decision by the internal committee, the student should lodge a written appeal with the Student Service's Manager within "**ten (10) working days**" of receipt of the written notification of Stage 2 outcomes.
2. Australian International Institute of Technology will appoint a person or body independent of and external to Australian International Institute of Technology to hear the appeal and propose a final decision at "**no or at minimal cost**" to the student.

The appeal procedures will be "**determined by the independent mediator.**"

3. The student will have access and receive the outcome of only one external appeals process (i.e. Stage 3) before Australian International Institute of Technology may report the student to the relevant authorities if applicable.

Hence Australian International Institute of Technology does not have to await the outcome of multiple external appeals processes which the student may wish to access. However, Australian International Institute of Technology will inform students that they could refer to the "*Commonwealth Ombudsman*".

10. Complaints and Appeals Register

Details of each complaint which is lodged are recorded in the Australian International Institute of Technology “*Complaints and Appeals Register*” by the employee who accepted the complaint and lodgement form.

At this time, a copy will be made of the complaint or appeal lodgement form and it will be filed in the student’s file.

The original documents will be forwarded to the Student Services Manager who is responsible for ensuring that all of these actions are completed within “**one (1) working day**” of the lodgement of any complaint or appeal.
